

the Green Screen

A series of films and documentary screenings examining the global issues of energy, sustainability, equality and the environment.

Thur 5th March - Cleere's Theatre, Kilkenny, 8pm. €5

The real dirt on farmer john

"A must see - heart warming and inspiring"

The epic tale of a maverick Mid Western farmer. An outcast in his community, Farmer John bravely stands amidst a failing economy, vicious rumors and violence. By melding the traditions of family farming with the power of art and free expression, this powerful story of transformation and renewal heralds a resurrection of farming in America.

Thur 26th March - Cleere's Theatre, Kilkenny, 8pm. €5

Crude Impact

Journeying from the West African Delta region to the heart of the Amazon rainforest, from Washington to Shanghai, from early Man to the unknown future, Crude Impact unravels the complex entanglement of our fierce devotion to oil with the fate of indigenous culture, human rights, our global economy and the planet itself.

Vista Clara Films

Thurs 30th April - Cleere's Theatre, Kilkenny, 8pm. €5

Money as Debt

"The shocking truth about the money system"

Debt – government, corporate and household has reached astronomical proportions. Where does all this money come from? How could there BE that much money to lend? The answer is...there isn't! Today, Money is Debt. If there were No Debt there would be No Money. This fast-paced and humorous animated feature explains today's magically perverse Debt-Money system in terms that are easy to understand.

Thurs 21st May - Cleere's Theatre, Kilkenny, 8pm. €5

The 11th Hour

"Turn mankind's darkest hour into it's finest"

Humankind's 11th Hour is here: the last moment when we can change course and halt our demise into global ecological collapse. Leonardo DiCaprio produces and presents this urgent and transformational look at where we've been, where we're going and, most critically, how we can change.
